

Chairperson, Board of Directors, Members and the Secretariat of Tanzania Gender Networking Programme (TGNP) join the women, men and young people of Tanzania and throughout the world in commemorating the 2nd Anniversary of the demise of our beloved Mwalimu Julius Kambarage Nyerere, the Father of the Nation.

TGNP greatly honours Mwl. Nyerere's contribution towards creating a conducive political and economic environment for eradicating the poverty and impoverishment of the citizens. He promoted and advocated for free social services, as basic rights of every Tanzanian. He fiercely defended the vast resources of the country, as essential national wealth to be preserved in order to benefit the current and coming generations. He demonstrated an unyielding commitment to bettering the lives of all citizens and placing their well-being at the centre of policymaking. His devotion to these values laid a crucial framework for true peace, unity and stability in all spheres of the country, as an example to be emulated by its neighbours and the world.

We celebrate all of those who continue to advocate for the perpetuation of his ideals to advance policies that eliminate impoverishment in Tanzania, the region and beyond.

Within the current context of globalisation, we call upon our leaders to adhere to the spirit and practice of Mwalimu by protecting the national resources and enabling the women, men and youth of the country to access and control this wealth.

Mwalimu Nyerere, we mourn you and remember you as a visionary leader. May you rest in eternal peace.

Amen.
